BELLEVUE — Cinemark Holdings has opened a luxury theatre at Lincoln Square South in Bellevue.

Cinemark Reserve Lincoln Square has six auditoriums with wall-to-wall screens, enhanced sound systems and electric-powered reclining chairs, as well as a full kitchen and bar, with seat-side service.

Cinemark said the designers were James Blissett and Stacy DeKoekkoek of The Design Collective in Seattle. The architecture and interior design firm focuses on cinemas, retail and restaurants, as well as hospitality and mixed-use projects.

This is Cinemark's second theater in Lincoln Square. It has 525 theatres in 41 U.S. states as well as Brazil, Argentina and Latin American countries.
